Call for Pricing

Rack "B" is for wool fabric. It includes a black aluminum rod with the Weeks Dye Works logo on top, a black base and four black spinners that hold six different items per spinner (24 total).
Call for Pricing

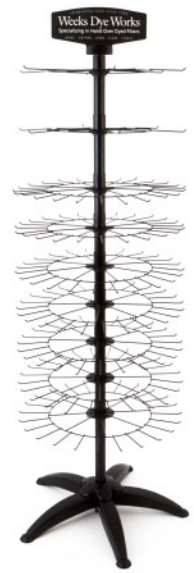

Rack "C" is for crewel wool, 2-strand floss, 3-strand floss and/or wool fabric or weavers cloth at the bottom. It includes a black aluminum rod with the Weeks Dye Works logo on top, a black base and eight black spinners (thread) that hold 24 different items per spinner, plus one black spinner (wool or weavers cloth) that holds six different items per spinner (192 thread + 6 fabrics total). If you need all nine positions to hold (thread) 24 items, we can switch out the bottom spinner that holds fabric which would allow for 216 items to be display for crewel wool, 2-strand floss and 3-strand floss.

Dimensions:

19" W x 14" H x 4" D when folded for travel

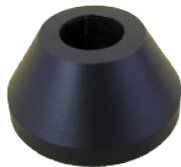

19" W x 11" H x 14" D when displayed

Thread Holder Base with Guide

In addition to the 1.875 inch base described below, a 7.25 inch aluminum rod, which features a loop thread guide at the tip, holds the thread cone in place securely while allowing a guided movement to the sewing machine or helping guide the thread during hand-stitching.

thread not included

Thread Holder Base

Use this heavy-duty holder to store or display your thread. During classes and demonstrations, it makes doing punchneedle or quilt piecing a breeze — and the 1.875 inch base is designed to ensure it's practically tip-proof.
